

May 4, 2022

Dear Parents and Students,

I am providing a preliminary (indicative) list of college acceptances to date. Please note that this does not purport to be an exhaustive list. There could be omissions. Several students have received multiple offers. Also, admissions are ongoing and will continue till August.

I am proud and delighted that we have received, yet again, offers from the best colleges in India and across the world. My deepest appreciation to the Class of 2022 for this achievement during two, hugely challenging, pandemic years.
